

Interdisciplinary Toxicology Program Graduate Student Exit Interview

Date: _____
Name: _____ **Degree Earned:** _____
New Email: _____ **Home Department:** _____
New Address: _____

I. AFTER-GRADUATION EMPLOYMENT/CAREER ADVANCEMENT PLANS

Have you made any efforts to seek employment or placement? Yes _____ No _____

If yes, with what organizations have you interviewed?

of Placement or Job Offers: _____ Have you obtained placement? Yes _____ No _____

If yes, Job / Placement Description (Title): _____

Job Address: _____

If not seeking job placement, what are your plans? _____

II. OVERALL EDUCATION EXPERIENCE:

What was the most satisfying academic experience at UGA? _____

What was the least satisfying academic experience at UGA? _____

STATEMENT	EVALUATION (1—strongly disagree and 5—strongly agree).				
	1	2	3	4	5
1. I am satisfied with the number and quality of electives.					
2. My technical writing abilities improved during my program of study.					
3. My oral communication skills improved during my program of study.					
4. My experimental design skills improved during my program of study.					
5. I feel I am well prepared for the job market.					
6. My research laboratory experiences were beneficial.					

If you wish, please use the space on the next page to elaborate on any of your responses.

Home Department

Strengths and Weaknesses:

Toxicology Program

Strengths and Weaknesses:

The University of Georgia

Strengths and Weaknesses:

Advising Materials and/or Procedures

Strengths and Weaknesses:

III. INTERDISCIPLINARY TOXICOLOGY CURRICULUM:

Please assess your ability/knowledge gained in the following areas.	ASSESSMENT (1 is Weak , 5 is Strong).				
	1	2	3	4	5
1. Comprehension of toxicological principles, including, but not limited to, dose-response, mechanisms of action, toxicokinetics, target organ toxicity, environmental fate and transport of chemicals and chemical induced toxicity and cancer.
